

WIAT BV achieved ISO9001 approval.

Press release

Haarlem, the Netherlands, November 2011

WIAT BV The Netherlands, one of the European leading Spare part and Service providers has had its ISO 9001 Certificate to encompass further growth and expansion of services.

The certificate recognises management standards and business procedures and is awarded for quality compliance and practices.

Managing Director Louis Wijers said: "As an expanding company we are always looking to improve the services that we offer to our customers.

The ISO 9001 Certificate will take into account our increased portfolio and skill sets, together with new services offered as part of our growth.

Reaching these high standards has been a team effort and congratulations must go to all of our staff who has contributed to the company's continual success."

WIAT BV Office and stores is based next door to Schiphol Amsterdam International Airport to serve you 24 hours a day with Aircraft spare parts.
